

You know where, we know how

11,000 cbm for one of the most famous global players in the Mining Industry

After 18 months of continuous work this extensive project, a mobile sizing rig with 11,000 cbm incl. 400 TEU, has been successfully executed.

It contained large lots of break-bulk and container shipments from China (Qingdao, Shanghai, Dalian, Xingang), India (Nhava Sheva), Europe (Rotterdam, Antwerp) and South Africa (Durban) to Itaqui / Brazil.
